

CALLING ALL VISIONARIES!!

Have you ever wanted to use your experience and expertise to end family homelessness?

Homes for Families is hosting our annual Visioning Day event and we **NEED** you there - **because you are the experts!**

Visioning Day is our most important event of the year, it is our chance to hear from families and providers across the state. Join us as we are **calling all visionaries** to come together for solutions to homelessness; join us in creating a collective voice and vision to address homelessness in Massachusetts. Join us in making a difference for all families facing homelessness in Massachusetts.

On-site childcare/kids activities

Free refreshments & lunch

A chance for families, providers, and the community to come together to create a vision for a better system

English → Spanish interpretation * traducción

Tuesday, August 14th
